Personal Service

SHAW drivers have become so well acquainted with the members of the Illinois Athletic Club, as well as their wives and children, that Shaw Service has developed into Personal Service which is a positive pleasure to all concerned.

The drivers are proud of the responsibilities thrust upon them and in making a study of the members' wishes, they are adding immeasurably to their efficiency and desirability. These drivers are all men of family and understand precisely how a man feels when he entrusts his loved ones to their care.

It is a fine thing to know that you can turn your loved ones over to a Shaw driver and be assured that he will take as good care of them as you would yourself. That is a big element of the Shaw Service—one of the elements that has raised the Shaw Company far above the average cab concern.

Understand, however, that we do not claim perfection. And the only way we can even approach perfection is to have your earnest co-operation. Keep us advised if the service, or the drivers, deteriorate. Don't roast these men to each other. Roast them to us, if they need roasting, and there will be an immediate remedy.
